

# Indigenous Careers Expo

WEDNESDAY AUGUST 8TH 2007, 5PM TO 9PM

@ HALE SCHOOL

## INVITATION

### Future Footprints Indigenous Careers Expo

*'A careers evening to explore post secondary school education and training opportunities for all Indigenous students'*

An invitation  
to hold an information stall at the  
Future Footprints Career Expo

The Future Footprints Career Expo is specifically designed for Indigenous secondary students to explore post school education, training and employment opportunities. In previous years stall holders have included universities, TAFEs, various government departments and leading organisations from the mining and corporate sector. Students, parents and teachers from thirty schools have attended past expos.

The 2007 program will include

- The Queen of the Kimberley 'Mary- G' as MC
- Indigenous guest speakers and role models from a variety of career backgrounds
- A special performance by dance group *Charcoal Footsteps*
- Fun science activities and demonstrations by SCITECH

This is an excellent opportunity for Indigenous students to listen, discover, talk and ask questions about their career interest and opportunities available in a friendly and informal environment.

It is essential for organisations to RSVP early to allow accurate liaison with the host school.

(see contact details for David Mander & Lisa Fieldhouse below)

**Where will it be held?**

The John Inverarity Music and Drama Centre,  
Hale School
