

Chefs Course

We are running the Course for Aboriginal people who are interested in choosing a career in Tourism and Hospitality.

Mark Olive from Outback Café fame and Message Stick came over to Western Australia to promote our Chefs Course. The Chefs Course will start after the next school holidays in July.

Mark will be with us at West Coast TAFE during the 4 day Taster Course that is being held from Tuesday 03 July until Friday 06 July, 2007.

The Taster Course is designed so that anyone who is interested in becoming a Chef will have a better idea of what the Chefs Course is all about.

After the Taster Course 16 students will continue on into the Chefs Course. **Wednesday 25 July is the first day of the Chefs Course.**

Students who choose not to continue with the Chefs Course will be encouraged to investigate other courses at West Coast TAFE and make suggestions about what kind of courses they would like to see offered specifically for Aboriginal people.

Please call Allison 9233 1293 and Kerry 9233 1129 if you would like further information.

Mark Olive, from Outback Café, and Message Stick with local Apprentice Chefs Bud Sibosado, Darren Martin and Amy Jones.
