

Australian Curriculum: Science

# Know Your Science Years 5 & 6

The **Australian Curriculum: Science** provides students with a way of answering interesting and important questions about our world. Each year level has a description of the content expected to be taught and for students to learn.

**Was science never your strong subject when you were at school??**

**“Science is hard.” “I don’t like science.” “I never understood science.”**

If this describes you, then this PL will be the most engaging and fun time you will have in any science workshop this year.

Why let the students have all the fun!?

Come along and find out the concepts, activities and applications behind the science content described for years 5 and 6. Extend the fun into your classroom and watch the kids shine.

You don’t have to know all the answers. You just need to know where to start the search to further your own and the students’ understanding.

You will go home with an increased confidence in teaching science, ideas to use immediately, resources to help you provide engaging, relevant and simple activities to demonstrate scientific concepts at the right level of difficulty for your students. AND, you will meet other teachers with whom you can share stories and ideas.

## REGISTRATION DETAILS

Please view our website at [www.ais.wa.edu.au](http://www.ais.wa.edu.au)

Click on “Login” OR “Non Members” tab

Choose your “Account” (Head of School/Teacher/Authorised user)

Enter your email address & password

Skip the above two steps if you are a non-member.

Click PL Calendar on the right-hand side then choose the month and scroll through list. Click the “register” tab

You will receive an email confirmation if you have registered correctly.

## PLEASE SIGN THE ATTENDANCE SHEET

We rely on your signature to be able to credit you with PL Hours, and failure to sign in may result in you being billed for non-attendance and your PL Hours being removed.

## CANCELLATION POLICY

Please email Sue Mulholland [smulholland@ais.wa.edu.au](mailto:smulholland@ais.wa.edu.au) 2 working days prior for all cancellations. Failure to do so will result in a non-attendance or late cancellation fee charged to your school. Where there is no fee, your school will be billed for costs incurred by AISWA (catering, etc).
