

Embedding Aboriginal Histories and cultures: Reconciliations through the PALS program

AISWA Future Footprints partnered with the Department of Local Government, Sport and Cultural Industries, Catholic Education Western Australia, and the Department of Education to bring together a series of Professional Learning (PL) events for teachers and school staff across the three education sectors. A fantastic time at was had by all which showcased the PALS program, successful school projects, as well as local and interstate Aboriginal organisations and resources.

“ Absolutely fabulous PL. Rich, informative, immersive. So many amazing presenters and educators in one room together. ”

“ I LOVED the whole day, everything about it, in particular I loved hearing about and meeting people from the different organisations ”
