

International School of Western Australia City Beach

ISWA is an independent, co-educational day school for Australian and International students from Pre-Primary to Year 12. Classes are small, allowing individual attention for all students.

Our school offers the International Baccalaureate Primary Years Program (P-6) and Diploma Program (11-12). We are also the only school in Australia to offer the Advanced Placement Program, which is equivalent to first year university level studies in the United States. Students from over 50 different nationalities attend the school.

We are currently seeking a dedicated, experienced and enthusiastic person to join our team in the following role:

Science Laboratory Technician

**To support all Science disciplines
Permanent, Part-time (0.8 FTE)**

Position commences 7 April 2015 or as soon as possible thereafter
