

Free one day workshop for parents and carers

Workshop: 16-17WAPC5

Location: Alfred Cove, South Metro WA

Like all school-aged students, young people on the autism spectrum benefit from strong, positive relationships between home and school. Positive Partnerships use evidence based materials and practical resources to help support these relationships by facilitating workshops for parents and carers.

This workshop is suitable for parents, full time carers and grandparents.

What will you gain?

The Positive Partnerships parent/carer workshop intends to:

- Increase understanding of the impact of autism on learning
- Introduce a planning tool that can be used to share an understanding of your child
- Explore ways to work in partnership with your school
- Share information about how to access support both inside and outside of school
- Provide an opportunity to network and share strategies with other parents/carers
