

Spare Parts Puppet Theatre: SCHOOLS INCLUSION & ACCESS PROGRAM

We believe every West Australian child should have the opportunity to engage with the performing arts to help them learn, grow and become positive forces in the communities.

Unfortunately due to distance, cost, or some other disadvantage some young people don't have access to these life-changing experiences.

The Schools Inclusion & Access Program was created by Spare Parts Puppet Theatre was made possible through the generosity of Fremantle Ports, Creative Partnerships Australia and private donors through our Adopt a Puppet program.
