EXPRESSION OF INTEREST

(Recruiting Non-government secondary schools)

We are seeking expressions of interest from all Western Australian secondary schools to take part in an important research study investigating young people's experiences, views and opinions on energy drinks and other caffeinated beverages.

WHAT'S INVOLVED?

Students (with parent/carer consent) will be asked to complete **one 20-30 minute online survey** at school during class time.

WHO'S INVOLVED?

Non-Government secondary school **students in Years 7-12**.

WHEN?

Non-Government schools will participate in **Term 3 and Term 4, 2017**.

WHAT ARE THE BENEFITS OF PARTICIPATING?

- 1 The research findings will be used to inform and develop future health programs for adolescents.
- 2 A summary of the findings will be provided to your school.
- 3 The school who achieves the highest return rate of consent forms (consenting and non-consenting) from students will be awarded **\$2000** for the purchase of school resources to support students' social and emotional wellbeing.

If you might be interested in your school taking part in this project or would like to hear more about it, simply email our Project Coordinator, Heather McKee at energy@telethonkids.org.au or call 9489 7600 by **16 June 2017**.
