## Most Likely to Succeed: Future proofing our schools.

Please join the Murdoch School of Education and Learning Environments Australasia WA for a free screening of the feature length documentary, Most Likely to Succeed.

Most Likely To Succeed is a thought-provoking documentary feature film that reveals the growing shortcomings of conventional education methods in today's innovative world. The film explores compelling new approaches that aim to revolutionize education as we know it, inspiring school communities to reimagine what students and teachers are capable of doing. Directed by acclaimed documentarian Greg Whiteley, the film has been named "among the best edudocumentaries ever produced" by Education Week, and called a "smart and engaging look at education in the 21st century" by The Hollywood Reporter. Click here for a preview.

Join us at 5pm for complimentary pizza, with the film starting at 5.30pm (7pm finish).

## About Learning Environments Australasia WA

Learning Environments Australasia is a community of professionals working together to plan and build better learning environments, including Architects, Interior Designers, Educators, Project Managers, Administrators, and Suppliers. LEA is part of the Association for Learning Environments, a worldwide organisation sharing knowledge, experiences and best practices in planning, designing and building great learning environments. Their mission is to facilitate the relationship between learning and place, through three key strategic areas: advocacy, sharing best practice and research.
