

Growing Up Greatness

Creating schools and classrooms that meet the diverse learning needs of all students.

Differentiation Practical Planning Workshop (Years 5 – 10)

Monday 31 July 2017

3.45pm – 5.15pm (sign-in from 3.30pm)

Ballajura Community College, Illawarra Crescent, Ballajura

I have pre-tested my students...now what? This is a practical planning workshop where primary and secondary teachers will have the opportunity to write differentiated learning goals, success criteria, an activity, assignment task or assessment of their choice, in a supportive and collegiate setting. Participants are encouraged to identify a specific class they teach prior to the workshop, and to bring along any existing data or task/assessments to modify. All student data will remain confidential and if you are unsure about your pre-testing, come along with an idea to work on anyway! This is an ideal workshop to come along with a colleague so you can discuss ideas and plan together. Curriculum leaders are encouraged to register to either participate in or observe the planning process. Kylie Bice will be available during the workshop to guide, offer feedback and suggest resources and ideas to help you leave with a tangible and relevant example of differentiation you can implement in your classroom.

Kylie Bice is an experienced **Education Consultant** specialising in gifted education, differentiation, thinking skills, and educating diverse student groups. Kylie was previously the Senior Inclusive and Gifted Education Consultant at the Association of Independent Schools of WA, and has many years of experience working with gifted and talented students in government and non-government schools in Western Australia. Kylie is an engaging presenter who has delivered professional learning to a range of audiences, schools, national and international gifted education conferences.

Cost: \$65 per person OR \$290 for a group of 5

Afternoon tea provided.
