

Education International Cooperation (EIC)

EIC is the largest provider of overseas educational counselling services in China, with a market share of 16 per cent of the overseas educational counselling market. It is also the fifth largest provider of test preparation services in China, with a market share of 6 per cent.

EIC helps students and parents make fully informed decisions, facilitated through the full range of services to cater for a student's overseas education needs. These services include advice, coaching, mentoring, test preparation and assistance with school application and visa processes.

It has offices in China and destination markets in North America, United Kingdom and Australia.

EIC has successfully placed 73,000 students to overseas study since 2000.

In 2006, EIC established its first overseas office in Sydney, Australia.

The first EIC Education Expo was held in 2005.
