

The Working with Children Check: Safeguarding in Action

Workshop Details

Our 2017 workshop will help confirm what you do know about the WWC Check and also identify what you don't know.

The workshop will cover:

- managing risk of harm - to children and your organisation
- the essentials of administering the WWC Check
- who must have a WWC Check
- continuous checking
- dealing with critical incidents
- child safeguarding, designing out crime and creating a positive culture.

Why attend?

Feedback received from attendees:

"I just didn't know what I didn't know!"

"Thank you for opening my eyes to the full picture of WWC - I had no idea!"

"Your workshop blew me away - I will make changes back at work as a result!"

"I initially thought this workshop could be 'dry' but the information was tailored and included lots of practical information and scenarios. It was easy to understand and has inspired me to review our child protection policies and procedures."
