

R U Legal?

Since 2015 Legal Aid WA have delivered free community legal education sessions to over 30,000 WA primary and secondary school students as part of our R U Legal? program.

The R U Legal? sessions and resources target young people aged between 10 and 18 and provide practical information about the laws that affect them, particularly in relation to **cyber bullying, sexting, sex and consent**.

Sessions are presented from the perspective of our criminal lawyers and use real life examples to demonstrate legal consequences to young people.
