

Reporting A New Concern For A Child

The Department is changing the way reports of concern for children are received in the metropolitan area.

From 3rd July 2017 all new reports of concern will be directed to a central duty team rather than the local District Office.

This new team can be contacted by calling:

1800 CP DUTY
(1800 273 889)

Or by email at:

cpduty@cpfs.wa.gov.au
