

Online safety webinars for your parent and carer community

The education team at eSafety has been working on a new free webinar series for parents and carers, to be delivered live in 2021.

The demand for our popular parent and carer webinars in 2020 prompted us to develop the 2021 series to support school communities.

Each term, we will offer a new topic that will run numerous times. These webinars will provide parents and carers with the knowledge, skills and tools to support their children to have safe, positive online experiences. This is especially important in an era when we are all online more than ever before.

The Term 1 webinar topic is **eSafety's guide to cyberbullying and online drama**. This will be offered five times over the term. We will let you know when the topics for the following terms are announced.

Attached is eSafety's 2021 webinar schedule. We would be grateful if you could note the dates as you start planning the year ahead, then advertise them in 2021 through your communication channels with parents and carers.

Thank you in advance for your support. Please get in touch if you have any questions.
