

LET'S GET KIDS ACTIVE,  
ENGAGED AND HAVING FUN!

Sporting Schools is a \$100 million Australian Government initiative set to be the nation's largest sport-based participation program. The program aims to help children to foster a **lifelong interest in sport** and gain a **healthier mind and body**.

In partnership with more than 30 National Sporting Organisations (NSOs), Sporting Schools assists in **providing the resources** to help sporting clubs, coaches and teachers to deliver sport **before, during, and after school hours**.

Nationwide online **registration is free** for schools, skilled NSO-endorsed coaches and identified sporting partners, and **funding is available** to schools to link up with quality NSO-endorsed coaches to deliver the sporting programs developed by the NSOs.

Based on the Playing for Life philosophy, Sporting Schools focuses on providing safe, fun and engaging activities that get all children involved, regardless of their level of ability.

The Australian Sports Commission's Playing for Life materials are now available online on the Sporting Schools website, and include links to:

- > curriculum content descriptions
- > learning intentions
- > the skill focus for each activity

The resources align with the National HPE Curriculum and can be used to assist in the delivery of:

- > health and physical education
- > short physical activities and classroom energisers
- > lunchtime/break activities

## What's the goal?

- > To help students foster a lifelong love of sport and active living
- > To nurture children's skills in leadership, social engagement and community spirit
- > To offer children a range of nationally endorsed sports
- > To offer schools access to nationally endorsed sports products and certified coaches
- > To create links between your school and local sporting community
