

AISWA's One Day Maths Conference – Session Choices

Making the Most of Maths Lessons: Six Key Ideas

By completing this form, you are confirming your session choices. This is not a registration confirmation. Registrations will still need to be completed on our website.

ATTENDEE INFORMATION

First Name: _____ **Last Name:** _____

School/Organisation: _____

Email Address: _____

Mobile Number: _____

REGISTRATION INFORMATION

Numbers are limited. Participants must number each of the three sessions with a '1' and '2' preference with registration. There are sessions limits, so first in, first preference allocation.

You will be sent a confirmation of your registration and session choices once both requirements have been completed. You will be notified immediately if your session of choice is full.

Session 1

Problem Solving: Connecting the Four Proficiencies (3-8)
Dr Paul Swan

Developing Maths Connections with Children's Literature
(P-2) Sheila Griffin

Session 2
