“Story Box Library is terrific because it's another way of enjoying stories. When I write the text, what I have in mind is it being read aloud, and Story Box Library is the perfect expression of that. No matter where the kids are, they can sit, they can listen to these stories being read to them, and see the pictures as well.”

*Leigh Hobbs, Author, Artist
and Australian
Children's Laureate*

“As a teacher-librarian I love to use Story Box Library during classes' visits to the Library... I find that with the older Primary levels we can delve into the author and illustrator features, while the younger levels just love to hear and see the stories.”

“Quality Australian Literature combined with a variety of entertaining narrators... a brilliant combination. Thank you Story Box Library for providing such a wonderful resource, which is used by our classroom teachers at every opportunity. The Classroom Ideas are an added bonus.”
