

TEACHING IN AN INDEPENDENT SCHOOL SEMINAR

Tuesday, 30 July
Wesley College, South Perth
6.00 pm – 8.30 pm (approx)

PANELISTS REQUIRED

Planning for the **2019 Teaching in an Independent School (TIS) Seminar** is now underway. Panel members for *both* the **Principal's Panel** for the first session and the **three panels during the final session** are needed (*please see the following program*).

Approximately an hour of time is sought from panel members to give those graduating students and teachers who are interested in teaching in the Independent sector an insight into what makes it such a unique and rewarding employment and career opportunity. The early childhood, primary and secondary education panelists will be required to answer questions attendees have about teaching at varying levels within these teaching areas. That's why we require **a Principal (panel leader), at least one experienced teacher and one new teacher to take part in each panel** – so graduates can get an all-round picture of what it's like to work in this sector. Principals participating in both the Principal's Panel and the final session panels will be required for the full event.

If you, or some of your staff members, are interested in being involved in the seminar please forward the following details to: npreston@ais.wa.edu.au by Friday, 31 May.
