

Three levels of Government Online Program

Now Live 

The Three Levels of Government program is now live and is suitable for Year 6 students. Students undertake a series of activities where they learn about the structure of Local, State and Federal Government and compare the responsibilities of each level.

Throughout 2022, we are launching six online programs based on our face to face programs. Our free online programs are suitable for students in Year 1 to Year 9, but are also available for anyone keen to learn more about State, Federal and Local Government. Our interactive online programs align with the WA Civics and Citizenship curriculum outcomes.
