

The West Australian Association of Teacher Assistants Inc. (WAATA)

About Us

WAATA is a not for profit association of education assistants who are currently employed in government and non-government schools throughout WA. The association is managed and operated by EA's in a totally voluntary capacity. Last year we celebrated our 25th Anniversary.

Our Aims

To provide regular professional learning opportunities specifically targeted for EA's which enable them to increase their skill set, professionalism and contribution to the daily learning experiences of their students. In doing so, they become a valued asset to the school community which in turn benefits all students state wide.

What we do

Organise and provide an Annual conference for WAATA Members and Non-members from all Education sectors from Metro, Regional and Remote areas of WA.

Conference 2018

- Sip 'n' Chat members only sundowner Fri 3 Aug 2018
- 16 session Presenters to choose from
- Keynote – Professor Andrew Whitehouse
- Plenary – Paul Swan
- Dinner speaker, Karen Warren, EA of the Year 2017

Join us

Become a member of this exciting energetic group of education assistants who strive daily to improve the quality of education and delivery to our students. The networking opportunities are many and varied, thanks to the ever-increasing use of modern technology.

Benefits of Membership

- First choice of sessions at annual conference
- Fantastic PD's and fabulous networking opportunities
- Quarterly Newsletters emailed to members
- Voting rights at AGM
- The opportunity to become a valued committee member
- Discounted cost to attend some PD's on WAATA website

What is the next step?

- Do you want to be a part of this passionate group of educators?
- Do you have some special skills to share with other like-minded EA's?
- Do you want to make a difference to your students?
