

FEATURING GO CULTURAL TOURS

A SHOWCASE OF WESTERN AUSTRALIA

Yagan Square is a celebration of Western Australian history, lifestyle, landscape and culture in the heart of Perth CBD.

The design of the square reflects the natural landscape of WA – from the unique geology, colours, textures and natural materials; to native wildflowers and the best of WA produce.

There is a strong Aboriginal narrative that runs through the square which incorporates stories from the Whadjuk people – the traditional owners of the land – exploring themes of people, animals, birds and landscape; all of which shape and create a strong sense of place. These stories have influenced various elements of Yagan Square, creating a unique space that is reflective of both culture and history.

SCHOOL EXCURSIONS AT YAGAN SQUARE OFFER A FUN, ENGAGING, EDUCATIONAL CULTURAL EXPERIENCE INCLUDING HISTORY, ARCHITECTURE AND PUBLIC ART. TOURS ARE CATERED TO ALL AGE GROUPS.

COST IS \$12 PER STUDENT FOR A HALF DAY (3 HOUR TOUR) WHICH INCLUDES:

- Digital Tower display of your school crest and artwork
- Welcome to Country and Aboriginal cultural tour by **Go Cultural Tours and Experiences**
- Aboriginal art workshop with prominent WA artist Kevin Bynder
- Reducing your food waste tour featuring our 'Trash Gang'
- BYO lunch and enjoy our rooftop Playspace or pre-purchase lunch from the Market Hall
- Tour of the Market Hall
- Free ice-cream from Jersey Jack Gelato
- Free participation for teachers and parent helpers

Yagan Square school excursions run on Tuesdays and Thursdays and start at either 10am (concluding at 1pm) or 11am (concluding at 2pm). Bookings are essential and required at least 14 days in advance.

Our experienced tour guides have first aid training, police clearances and working with children permits.

BOOK NOW

REDUCING FOOD WASTE

The Yagan Square Trash Gang encourages rubbish to be separated to help make Perth a greener place to be. Western Australians produce more than 50,000 tonnes of food waste every year. Most of this waste ends up in landfill where it rots away and harms the environment.

We're working hard to reduce the amount of food waste that goes into landfill by using the latest in food waste technology. The food waste dehydrator breaks down the food scraps generated onsite into an organic fertiliser that can be used on gardens.

Your school will love this exclusive behind-the-scenes look at our waste management process.

DIGITAL TOWER

The Digital Tower is a gigantic 45-metre high tower including a circular screen. We'll feature a complimentary welcome message with your school crest on the screen during your school's tour. The perfect spot for a group photo!

And imagine your students surprise of seeing their very own artwork displayed up in lights on the Digital Tower for the whole city to see. Send your school crest and artwork at least five days before your excursion date and we'll have it ready to reveal when you visit.

SPECIALS

Explore a range of lunch options from our Market Hall. Lunch specials are available for school excursions from select outlets and can be pre-ordered direct with the eatery.

Details of lunch specials will be distributed with your booking confirmation package.

AMPHITHEATRE EVENTS

Our amphitheatre is a stunning event space right in the heart of the city and is available for schools to book for free. A digital canopy sits over the amphitheatre with over 26,000 breathtaking lights to create a stunning display of colours to match your school colours.

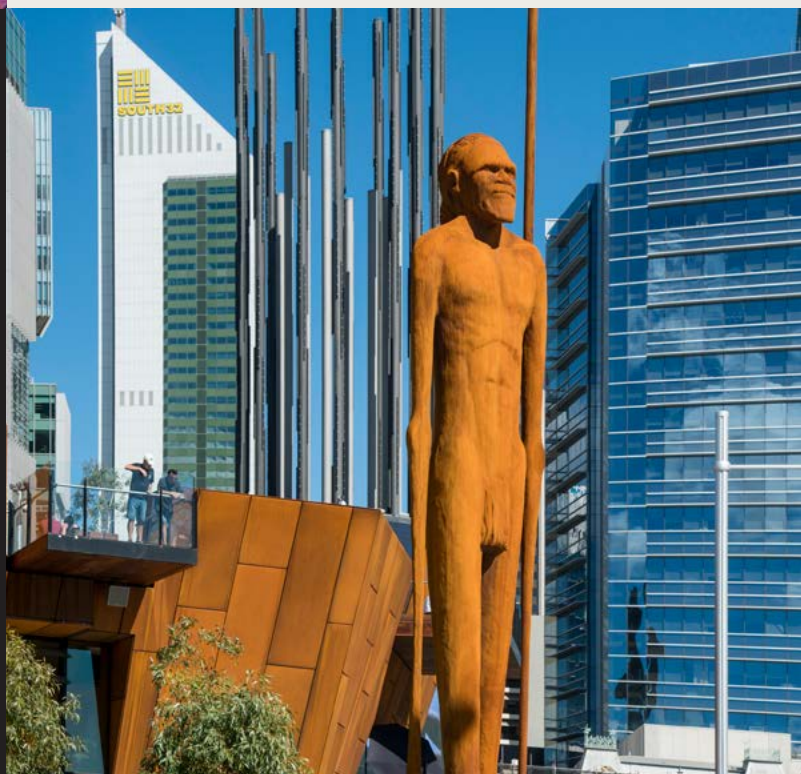

The amphitheatre can fit up to 500 people and is ideal for school events such as award ceremonies, graduations and performances. With its terraced seating, elevated stage and breathtaking city backdrop, the amphitheatre is the perfect venue for any event.

To book your school event, please contact yagansquare@developmentwa.com.au

We've got everything to make your excursion an easy and enjoyable one including:

- School bus loading bay nearby
- Close to Perth Busport and Train Station
- Toilets
- Drinking fountains
- Shade
- Eateries
- Native gardens
- Interactive water feature
- Grassed areas
- Rooftop Playspace
