Unleash your innovation potential!

Be inspired. Acquire knowledge. Achieve Greatness.

Get inspired by some of Australia's leading young entrepreneurs including CEO of holographic projection company B.O.P. Industries - **Scott Millar**

Join us in our inaugural 3 day innovation and entrepreneurial masterclass. Don't miss this rare opportunity to learn how to think creatively to develop your very own invention or innovation that could lead to you running your own business empire!

Be inspired by keynote speakers and learn about developing ideas, creating business plans, finance, copyright and intellectual property and how to market your ideas from industry professionals. This is your chance to develop skills for the new-world economy that will create the jobs and technologies of tomorrow!

“ Pitch your idea at our showcase for your chance to win a \$2,000 Bendigo Bank account and get ongoing mentorship to potentially commercialise your idea. ”
