enabling excellence in education.

Welcome Message

AISWA is pleased to share an updated version of our 2025 Professional Learning Calendar as we head into Semester Two. This mid-year update includes a range of new and expanded events designed to support the evolving needs of schools and educators in the second half of the year.

Our calendar continues to offer a broad selection of professional learning opportunities across key areas such as governance and compliance, school leadership, teaching and learning, non-teaching staff support, student wellbeing, and the wider school community. AISWA Online Learning also remains available, providing flexible, on-demand learning options.

The program is structured around five key support pillars: Curriculum and School Improvement, Governance and Business Operations, Leadership and Development, School and Student Support, and Technology and Learning Innovation.

As always, events include a mix of face-to-face sessions, conferences, webinars, and regional meetings. We encourage you to scan the QR code to view the most up-to-date calendar as new events continue to be added throughout the semester.

Thank you for your ongoing engagement and support. We look forward to welcoming you to an event in Semester Two.

Chris Massey
EXECUTIVE DIRECTOR

Acknowledgement of Country

AISWA respectfully acknowledges the traditional custodians of the land on which we operate, the Wadjak people of the Noongar nation. We pay our respects to Aboriginal Elders past, present, and emerging, as the Traditional Owners of the lands across Australia and acknowledge their continued connection to the land, waters, and community.

We recognise that a strong and mutually beneficial relationship with Traditional Owners is essential to our success and to the benefit of our community. In all our actions, we commit to fostering cultural awareness and working collaboratively towards a shared future of reconciliation, respect, and prosperity.

AISWA Professional Learning

AISWA is committed to creating and delivering high-quality professional learning opportunities for its members. As a trusted learning provider, AISWA's priority is to ensure member schools remain at the forefront of educational innovation, leadership development and continuous whole-school improvement. We aim to ensure member needs and values are met during this ever-changing educational landscape.

IN PERSON

In person professional learning offers opportunity to collaborate, network, foster meaningful relationships and connections with peers across industry in a comfortable, active and hands-on environment.

WEBINAR

Webinars provide an interactive online experience for participants to engage with experts and peers. These sessions offer opportunity to engage, collaborate and foster relationships and connections.

ON DEMAND

On demand courses are available each semester offering a self-paced learning experience at a time and place of the learners choosing. This allows flexible, continuous improvement and engagement with relevant courses.

CUSTOMISED LEARNING EXPERIENCES

Customisable learning experiences are available to individual schools or campuses. These tailored packages are designed to meet school-specific needs, goals and requirements.

MIXED MODE

Hosted across in person sessions, live webinars, and on demand learning, mixed mode courses are designed to ensure the best delivery method is used for each course component.

AISWA Support Pillars

AISWA's professional learning is shaped by five core pillars, supporting schools across curriculum, leadership, governance, wellbeing, and technology. Together, they provide a comprehensive framework to build capacity, enhance practice, and meet the evolving needs of educators and school communities.
