Delivering programs and services
enabling excellence in education.

Welcome to the 2026 AISWA Professional Learning Calendar

It is a pleasure to share the 2026 AISWA Professional Learning Calendar, created to inspire professional growth, collaboration, and connection for all those involved in the Western Australian Independent school community.

This calendar is shaped by AISWA's five core pillars: Curriculum and School Improvement, Leadership, Governance and Business Operations, School and Student Support, and Technology and Learning Innovation, reflecting our commitment to delivering professional learning that is practical, relevant, and responsive to Member needs across the state.

Throughout the year, you will find expanded opportunities to connect and collaborate through new conferences, events, and targeted programs that strengthen professional communities and support excellence in Independent schools.

Thank you for your ongoing partnership. We look forward to another year of learning and leading together to create a brighter future for all children in Western Australia.

Chris Massey
EXECUTIVE DIRECTOR

Acknowledgement of Country

AISWA respectfully acknowledges the traditional custodians of the land on which we operate, the Wadjak people of the Noongar nation. We pay our respects to Aboriginal Elders past, present, and emerging, as the Traditional Owners of the lands across Australia and acknowledge their continued connection to the land, waters, and community.

We recognise that a strong and mutually beneficial relationship with Traditional Owners is essential to our success and to the benefit of our community. In all our actions, we commit to fostering cultural awareness and working collaboratively towards a shared future of reconciliation, respect, and prosperity.

Shaping the Future of Learning Together

As a trusted learning provider, AISWA's priority is to ensure Member Schools remain at the forefront of educational innovation, leadership, development, sound governance and continuous whole-school improvement.

You can engage with AISWA Professional Learning through three flexible modes, designed to meet the diverse needs of individuals and schools, accommodating different locations, group sizes, and schedules.

You Come to Us

Attend conferences and courses in Perth at AISWA's Professional Learning Suites in Osborne Park, or at select host schools and venues such as Optus Stadium, The University Club of Western Australia, Perth Convention and Exhibition Centre, and The Boulevard Centre. In-person learning provides valuable opportunities to collaborate, network, and build meaningful connections with peers across the education sector in a dynamic, hands-on environment.

We Come to You

Beyond our public events and online offerings, AISWA provides tailored in-school consultancy services across a wide range of topics. These are responsive to the unique contexts and priorities of each Member School. Our consultants work alongside leaders and educators to co-design professional learning programs that support meaningful and sustainable outcomes. To explore consultancy options for your school, please email plrequests@ais.wa.edu.au.

Flexible Online Learning

Access online professional learning from the convenience of your school or home, at a time that suits your busy schedule. AISWA offers a growing range of live and on-demand learning opportunities, including webinars, network meetings, and self-paced modules.

AISWA Support Pillars

AISWA's professional learning is shaped by five core pillars, supporting schools across curriculum, leadership, governance, support, and technology. Together, they provide a comprehensive framework to build capacity, enhance practice, and meet the evolving needs of educators and school communities.

Middle Leaders Series

Designed for middle leaders, these programs strengthen your ability to lead high-quality teaching and learning. You will explore evidence-based pedagogy, collaborative professional practice, and curriculum design that is clear, well-sequenced, and focused on deep learning. Through practical tools, reflection, and networking with peers, middle leaders will build confidence to set high expectations, influence teaching culture, and support consistent progress for staff and students.

When Students Push Our Buttons: Staying Relational Under Pressure

This professional learning event supports educators across Pre-Kindy to Year 12 to remain calm, connected and effective when responding to complex student behaviour. Participants will explore how emotional reactions and unconscious beliefs can influence responses, while developing practical strategies to maintain boundaries, strengthen relationships and create steady, supportive learning environments.

14 October

Leading School Improvement Using the ACER School Improvement Tool

AISWA, in partnership with ACER, invites school leaders to explore evidence-informed approaches to school improvement through ACER's School Improvement Tool. This two-day program supports leaders to identify key improvement levers, apply learning to their school context and strengthen student-centred improvement planning with greater clarity and confidence.

Day 1: 29 October

Day 2: 30 October

Honing Philosophy Statements and Quality Improvement Plans with Sam Wynne

Led by Samantha Wynne, this workshop supports Early Childhood educators and leaders to strengthen alignment between their philosophy statement, QIP and classroom practice. Participants will explore how young children learn, reflect on current approaches and identify practical goals to support high-quality pedagogy, reflective practice and continuous improvement in the early years.
