# Welcome to the 2026 AISWA Professional Learning Calendar

**Chris Massey**  
EXECUTIVE DIRECTOR

It is a pleasure to share the 2026 AISWA Professional Learning Calendar, created to inspire professional growth, collaboration, and connection for all those involved in the Western Australian Independent school community.

This calendar is shaped by AISWA's five core pillars: Curriculum and School Improvement, Leadership, Governance and Business Operations, School and Student Support, and Technology and Learning Innovation, reflecting our commitment to delivering professional learning that is practical, relevant, and responsive to Member needs across the state.

Throughout the year, you will find expanded opportunities to connect and collaborate through new conferences, events, and targeted programs that strengthen professional communities and support excellence in Independent schools.

Thank you for your ongoing partnership. We look forward to another year of learning and leading together to create a brighter future for all children in Western Australia.

## Acknowledgement of Country

AISWA respectfully acknowledges the traditional custodians of the land on which we operate, the Wadjak people of the Noongar nation. We pay our respects to Aboriginal Elders past, present, and emerging, as the Traditional Owners of the lands across Australia and acknowledge their continued connection to the land, waters, and community.

We recognise that a strong and mutually beneficial relationship with Traditional Owners is essential to our success and to the benefit of our community. In all our actions, we commit to fostering cultural awareness and working collaboratively towards a shared future of reconciliation, respect, and prosperity.
