

## A.I.S.W.A Literature Bites **Fairytales by Sue Watson**

It's not easy to find moral compasses on our televisions these days but there are plenty of stories to help us understand the rules that we ought to live by. By using traditional fairy tales Sue Watson, a Secondary English teacher, can help you to create programs to help students interrogate ethics and cultural expectations of the past, and create texts that reflect and influence the values of their own time.
