

SHARP READING

meeting needs and making it manageable

Decoding Strategy Instruction (DSI)

SharpReading Stages 1–2

Created by Hilton Ayrey and Brian Parker

This workshop is aimed at meeting the needs of beginning readers who need the explicit teaching and guided practice of decoding strategies to achieve decoding fluency. The '5 Bits' routine provides the structure needed to explicitly teach decoding. A preview of the next stage which launches comprehension will be included.

RESOURCES:

12 months of free online tutorials valued at \$99 NZ

Twelve months of small step, at-your-own pace learning with weekly tutorials, video modelling and supporting resources. Perfect for the individual teacher, teacher aide, reading tutor.

Australian Curriculum: Decoding Strategy Instruction is intricately linked to the Foundation—Year Three English Curriculum and General Capability: Literacy.
