MINING AND THE LANDS CAMP

Mining and the Lands camp is a five-day residential camp for Aboriginal and Torres Strait Island female students.

Are you a Year 10, 11 or 12 who would like an introduction to the mining and resources sector?

Mining and the Lands camp will show you what it's like to study and work in the mining industry in WA. You'll tour operational mine sites, participate in hands-on workshops, tour Curtin's Bentley campus, and meet lecturers, students and mining industry leaders. It targets girls in Year 10, 11 or 12 who have an interest in science, maths or engineering.

The camp is free with all travel, meals and accommodation provided. This couldn't happen without the support of AngloGold Ashanti. **Places are limited, only 10 spots!**

When: 17 – 21 April 2023
