

## **Full-time teachers required in Bunbury & Busselton (commencing January 2022)**

### **Our School**

Bunbury Regional Community College (BRCC) is both a new school and a new kind of school.

BRCC opened its doors in Bunbury in 2018 for students in years 10 and 11 and expanded to year 12 in 2019. In 2020 a class of year 10 students was enrolled in Busselton which is now home to year 10 and 11 classes and will expand to year 12 in 2022.

The school is deliberately small with classes of 15-18 students with a full-time teacher and education assistant. It is funded as a CARE (Curriculum and Re-engagement in Education) School and enrolls students who have experienced barriers to learning in their previous high schools.

The school is using the Big Picture Education design. This is based on the belief that the unique interests, needs and abilities of each student must be at the centre of their educational program.

Whilst at BRCC students are:

- encouraged and helped to develop the literacy and numeracy skills that are needed for future success;
- provided opportunities to explore and develop their interests both with their teacher in the classroom and with mentors in the community;
- complete interest projects, achieve their OLNA, study a range of certificates and short courses; and
- enabled to develop the academic and personal skills that will help them to create positive, productive futures beyond school.

### **The Role**

We are seeking dedicated teachers to join our unique community and to become Advisory Teachers.

2 positions in Bunbury Campus

1 position Busselton Campus

We need teachers who are willing to share their interests, passions and stories with the students.

We need teachers who are enthused and excited by finding out what the students are interested in and developing learning plans that help each one grow and move towards their goals.

We require teachers who will help each and every student to matter, who can see and value their culture, talents and interests, who can help them fit by changing the school and classroom to meet their needs and who can help them work with family and community support.

Overall, we need teachers who never give up on any student.

### **The Advisory**

Each Advisory Class is a small community within the school. As an Advisory Teacher you will work with your advisory students most days and most of each day. In this way Advisory is like an extended family. Students are expected to become respectful, caring and productive members of the Advisory group. The Advisory teacher's role is to teach, inspire, provoke, bond, organise and manage learning. You will negotiate Student Learning Plans, convene meetings with students, parents and mentors, help students develop extended projects and prepare for exhibitions. Advisory teachers take responsibility for student learning across the curriculum including literacy and numeracy and also lead the pastoral care of the student. If you are the right person you will get the opportunity to work with this group of young people through to the end of year 12.

### **The Benefits**

Our culture embraces diversity and innovation. Working for us will provide you with opportunities for growth and development along with a competitive salary and a range of benefits.

If your aim is to make a positive difference to young people's lives, we would love to hear from you!

### **Closing Date**

Applications close of business on Monday 15 November 2021.

### **Next Steps**

To apply for this exciting opportunity, please send your resume and a cover letter addressing the requirements outlined above, including three (3) referees, to Mr Brett Piggott, Principal at [principal@brcc.org.au](mailto:principal@brcc.org.au) . For more information, please contact Jenni (Corporate Services Manager) on 0455209309.

Successful candidates must be registered with the TRBWA. A current Working with Children Clearance is necessary, and proof of a COVID-19 Vaccination. The Staff Code of Conduct and Child Protection Policy guide the behaviour of all staff.
