Science and Mathematics Teacher

Tranby College is one of Australia's leading progressive schools, based in the southern suburbs of Perth, with a focus on innovation, personalised learning and pathways, experiential education, and hands-on learning. Our staff are enthusiastic and engaging education professionals who contribute to a thriving collaborative culture and are interested in current research, pedagogy, and wellbeing.

Tranby College is currently seeking a **Science and Mathematics Teacher** who would relish the opportunity to deliver innovative and exciting programs to our outstanding students. Ideally we are looking for a Science and Mathematics Teacher who has the ability to teach Biology, however this is not essential. This is a full-time fixed term position initially for Term 2 2023, with the possibility of extension.

We are excited to hear from educators who:

- Have a passion for working with young people and inspiring them about Science and Mathematics;
- Have the rights to work in Australia;
- Hold or are eligible for a Working with Children Check;
- Hold a teaching degree and either hold or are eligible for TRBWA registration;
- Have a current HLTAID012 – Provide First Aid in an Education and Care Setting (desirable);
- Have excellent content and pedagogical knowledge and skills necessary to deliver effective teaching and learning programs;
- Can integrate digital and other technologies and experiential learning into their programs;
- Have proficient skills in using information and learning technologies and LMS such as Seqta and Microsoft for Education;
- Can design and deliver creative, innovative, and engaging learning experiences to secondary-aged students;
- Will work collaboratively within a team of teachers and education paraprofessionals;
- Can use data and evidence to improve their teaching and student achievement and wellbeing;
- Will be an excellent role model and mentor for students across the College;
- Will actively contribute to the broader College community and engage in our co-curricular program; and
- Will support our values and will work to help us achieve our mission and vision.

If you have the drive, experience, vision, and skills to help each student realise their dreams and aspirations, please forward your expression of interest (one-page cover letter, a two-page statement addressing the role, a curriculum vitae and the details of three references, one of which is your current employer) to Emily Goforth, Deputy Principal, at goforthe@tranby.wa.edu.au.

For confidential information and inquiries about the role, please call Emily Goforth on 9524 2424.

We reserve the right to commence the recruitment process immediately.

Tranby College is committed to being a 'Child Safe' school, expecting all staff and volunteers to commit to our Child Safety Policy and Child Safe Code of Conduct. Appropriate rigorous reference and background checking will be undertaken for this selection process, including a Working with Children Check. We are committed to the safety, participation, and empowerment of all children.
