ABOUT SOUTHERN HILLS CHRISTIAN COLLEGE

Southern Hills Christian College is a Pre-Kindergarten to Year 12 college, set in Bedfordale, Western Australia, and boasting staff with extensive educational experience.

Our school forms part of the Swan Christian Education Association network of seven schools.

Our staff are all committed Christians and our College's culture, curriculum and purpose all acknowledge God as our creator and Jesus Christ as our Lord and Saviour. This belief is embedded both explicitly and implicitly in our curriculum and all that we do.

Strong emphasis is placed on the explicit teaching of literacy and numeracy in Primary and Secondary, balanced with inquiry-based learning, while encouraging our students to be critical thinkers and independent learners. A range of digital technologies is used by teachers to assist in the teaching of curriculum and by students to assist in their learning. Our goal is to challenge young people beyond the complexity of a national curriculum. If you share our vision of Christ-centered education and meet our selection criteria, we would love to hear from you.

OUR SCEA MISSION

Empowering and equipping children and young people to flourish in life, by welcoming them into our schools that are shaped by Christian faith and values, and creating an environment where all within the community can truly belong, learn and thrive.

OUR SCEA VISION

To be a thriving network of interdependent Christian schools in Australia that are inspired by the mission initiated by Jesus Christ to equip and empower those we serve to experience life in all of its fullness.

ABOUT SCEA

Southern Hills Christian College is a campus of the Swan Christian Education Association (SCEA).

Established in 1982, SCEA began as a single primary school in Midland to serve the needs of families who wanted to see Christian education grow and thrive in Western Australia.

Nearly forty years later, SCEA has more than 500 staff serving at seven schools ranging from Alkimos to the north of Perth to Bedfordale in Perth's southern suburbs. Over 3,900 students belong to SCEA schools in Middle Swan, Kalamunda, Beechboro, Mundaring, Ellenbrook, Southern Hills and Northshore.
