The recommended minimum allocation of class time is as follows:

Contribution to Senior Certificate of Education, and Australian Tertiary Admissions Rank (ATAR)

The VET Certificates II and III in Applied Language may contribute to meeting the student eligibility requirements for their senior Certificate of Education. The VET qualifications may also contribute to the calculation of the university aggregate and Australian Tertiary Admission Rank (ATAR). These arrangements will vary between States/Territories, and schools must consult with their local education and/or training authorities.
